Explanatory Note On Special Business

Ordinary Resolution 9

The proposed resolution is in relation to authority to allot shares pursuant to Section 76 of the Act, and if passed, will give a renewed mandate to the Directors of the Company, from the date of above AGM, authority to issue and allot shares in the Company up to and not exceeding in total ten per centum (10%) of the issued share capital of the Company for the time being, for such purposes as the Directors consider would be in the interest of the Company. The Mandate, unless revoked or varied at a general meeting of the Company, will expire at the conclusion of the next AGM of the Company or the period within which the next AGM of the Company is required by law to be held whichever is the earlier.

As at the date of this Notice, no new shares in the Company were issued pursuant to the Mandate granted to the Directors of the Company at the 32nd AGM held on 29 July 2022 and which will lapse at the conclusion of the 33rd AGM.

At this juncture, there is no decision to issue new shares. However, should the need arise to issue new shares the Mandate would avoid any delay and costs in convening a general meeting of the Company to specifically approve such issue of share. If there should be a decision to issue new shares after the Mandate is obtained, the Company would make an announcement in respect of the purpose and utilization of the proceeds arising from such issue.
